1. Fill me with Thy Spir - it, please take full con - trol.  
2. May I fear Thee al - ways; keep me back from sin.  
3. Now I have Thy bless - ing; now I've peace and rest.

5  
Make me like the Sav - iour; Nev - er let me go.  
Cause me to love Thy judge - ments; make me pure with in.  
Sins had stopped com - mun - ion; they are all con - fessed.

9  
I am Thine for - ev - er; for Thy ser-vice I will be.

13  
But I need strength from Thy Spir - it; for Your grace I hum-bly plead.
